My goal this month: _____

Space team name idea: _____

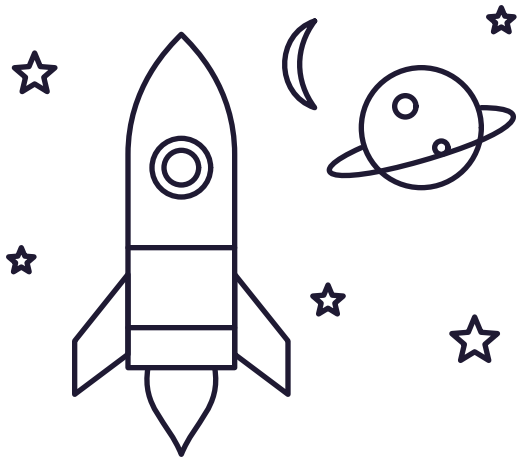

Make It: Paper Cup Rocket

A quick craft with things from around the house. A grown-up helps with cutting.

You'll need: paper, scissors, glue or tape, crayons, plus anything in the steps.

1. Turn a paper cup upside down.
2. Tape a paper cone to the top for the nose.
3. Cut three fins from card and tape them on.
4. Color it with stripes, stars and a flag.
5. Add red and yellow paper flames at the bottom!

Draw (or tape a photo of) your craft

December Challenge

Practice a 'space walk': move in slow motion for one whole minute.

Color a star each time you do it.

Certificate of Awesome

This certifies that

Leo

finished the December Space Adventure pack
and is officially a puzzle-solving, creative superstar!
